After an Accident: The 24 Hour Checklist

HARLAN & VOSS LLP | LOS ANGELES | (213) 555-0199

1. Move to safety and call 911 if anyone may be injured.
2. See a doctor the same day, even if you feel fine.
3. Photograph vehicles, the scene and any visible injuries.
4. Collect names, phones and insurance details from all drivers.
5. Get witness contact information before they leave.
6. Do NOT apologise or discuss fault.
7. Do NOT give a recorded statement to any insurer.
8. Call an attorney before signing or accepting anything.

Remember: most injury claims must be filed within two years.
Claims against a government entity may require notice in six months.
