Harlan & Voss LLP

Business Contract Review Checklist

HARLAN & VOSS LLP | LOS ANGELES | (213) 555-0199

Before you sign, confirm:
- Who are the parties, exactly, and are they the right entity?
- What is being delivered, and by when?
- How and when is payment made?
- What happens if either side breaches?
- Who owns the intellectual property?
- How are disputes resolved: court, arbitration or mediation?
- Can the agreement be assigned or terminated early?
- What law governs, and where would a case be heard?

Vague terms create disputes. If something is unclear, fix it in writing before signing.
